

See all the local entrants plus a great lineup of entertainers at this year's Royal Darwin Show.

The McClymonts, multi award winning sister trio who are also the official ambassadors of the Telstra Road to Tamworth, will be the headline act when TRTT visits The Royal Darwin Show on Saturday 24 July.

Joining The McClymonts is current 2009 performance category winner Tenielle, plus local singer/songwriter Dave Garnham (2009 TRTT grand finalist, 2009 Triple J Unearthed NT songwriter) who will take to the stage to entertain local audiences.

Helping artists take the next major step in their professional music careers, TRTT offers domestic and international recording opportunities plus the chance to work with world-renowned songwriters and producers for the overall winners in both the songwriting and performance categories.

Don't miss this brilliant evening of live entertainment and the chance to support your local independent music talent.
